Your Village Hall – Your Meeting.

Martley Village hall is a facility for the whole of the community and so I am writing to all community groups in the village (whether current users of the hall or not) to invite you to the

Village Hall AGM
on
Wednesday 24th March
at
8.00 p.m.

where you will

- See recent improvements to the hall
- Hear about plans for future improvements – do you think we've got the right priorities?
- Hear about plans to restructure the committee
- Have your say about the way the hall is run
- Enjoy light refreshments

Please will you let Annette Smith (committee secretary) know who from your organisation is coming using the tear off slip below to ensure we have sufficient wine and nibbles.

Thank you in anticipation of your support.

Kind regards
